Start with the question closest to yours. Every assessment named below is described in full later in this catalog— the page number in the catalog for follows each one. Most schools use two or three together.

We need to know how our students are growing, year over year.

Norm-referenced scores on a continuous K–12 vertical scale, so growth is measurable across years, not just within one.

Iowa Assessments Complete	p. 12
Admissions and Benchmark	p. 14
Achievement Insights Bundle	p. 17
Complete Insights Bundle	p. 17

We're deciding whom to admit and where to place them.

Scores directly comparable to the Iowa Complete that most schools give in spring, so incoming students are placed against the same yardstick.

CogAT	p. 13
Iowa Single Subject Benchmarks	p. 14
Iowa Survey	p. 15
Online Admissions and Benchmark Bundle	p. 17
Iowa Algebra Aptitude Test	p. 19

We're preparing students for college and scholarships.

Readiness benchmarks starting as early as grade 6, with predicted scores and reporting that carries through to test day.

Iowa Assessments Complete	p. 12
4C	p. 22
ACT District Testing	p. 23
PreACT / PreACT 8/9	p. 23

Some students are falling behind and we need to catch it early.

Frequent, low-stakes checks that surface skill gaps while there is still time in the year to close them.

Iowa Assessments Complete	p. 12
Iowa Single Subject Benchmarks	p. 14
Iowa Survey	p. 15
ESGI *Pre-K–2*	p. 20

Some students need more challenge than they're getting.

Reasoning and ability data alongside achievement — what a student is capable of, not only what they have done.

CogAT	p. 13
Complete Insights Bundle	p. 17

We want to know whether our Christian formation is working.

Evidence based on biblical literacy, spiritual formation and the culture your school is actually creating.

ACSI Bible Assessment	p. 8
Flourishing School Culture Instrument	p. 10
Flourishing Faith Index	p. 11
