

Dear Parent(s),

Congratulations on your child being nominated as an ACSI Distinguished Christian High School Student! This award is given annually by the Association of Christian Schools International to the top Sophomores, Juniors, and Seniors in member schools for achievements in Academics, Leadership, Fine Arts, Athletics, and Christian Service. Your child was nominated in one or more categories by a member of our faculty. The awards will be given to the students during one of our award programs later this spring.

As an award nominee, your student's name and home address will be also be shared with ACSI member colleges and universities who are going to be interested in communicating information about their undergraduate degree programs, as well as scholarship and financial assistance opportunities. ACSI and their member colleges and universities will only use this information for that purpose and will not share it with outside companies or organizations. Many of the colleges provide quite a number of scholarships and special programs to these DCHSS students, and we do not want your student to miss out on this opportunity!

We also realize that many of you do not want this information shared outside of our school. We respect your desire for that privacy. On the form below, please indicate if you would like the information sent to your home address or if you would prefer to have it sent to our school and then distributed to your son/daughter. Because this is important information that can have a financial impact, we encourage you as parents to receive this directly!

Thank you for your help and cooperation, and once again, congratulations on your child being selected as a Distinguished Christian High School Student nominee!
