

# Books or Library

I'm learning about book conventions. I am finding out that the words on the page tell an interesting story. The picture tells a story, too, and I'm discovering that there's a sequence to events. I'm quiet when I look at books, and I think about a story that I might want to write.

*Jesus did many other things as well. If every one of them were written down, I suppose that even the whole world would not have room for the books that would be written.*

—John 21:25, NIV
