FCC Coaches Certification Course

FCC will be offering the FCC Coaches Certification Course at 2009-2010 ACSI Conventions. This new course covers all the basics for coaches. Whether you are a seasoned coach or just beginning, we are happy to announce the first of its kind! While AACCA covers the safety side of cheer, our FCC Certification takes you through all the fundamentals of running an effective program. Administrators will love this extra stamp of approval for your coaching credentials.

The course is a three hour lecture and review of the FCC Coaches Certification Manual. This course covers such topics as: Philosophy of Cheer (Cheer Terms, Coaches Obligations, Tryouts and Sample Forms, Constitutions and more), The Sport of Cheer (Productive Practices, Formations, Conditioning, Stunting and more), The Art of Cheer (Motion & Dance Technique, Routine Building, Mascots and more), and much more. A passing score must be achieved to qualify for certification. **The course tuition is \$75.00**, which includes the required Certification Manual.
