Home School Participation Guidelines

Email student_activitiesMA@acsi.org for complete info.

School Registration

ACSI Student Activities is open to ACSI member schools. Online registration will be open in mid-August at www.acsi.org/masa. Registration payment can be made online with a credit card (preferred method) or by mailing a hard copy of the form and registration fees to the Mid-America regional office. Do NOT mail checks to ACSI headquarters in Colorado. Registrations are accepted on a first come, first serve basis. Registrations will not be processed until payment is received. The fee covers the cost of the handbooks and office-related expenses.

Confirmation Email

Once registered, a confirmation will be emailed to each school's school coordinator and will contain detailed instructions on how to participate in the events for which you have registered.

Handbooks

Within this confirmation email will be a password to download event handbooks at www.acsi.org/masa.

Participation Form & Fees

Approximately four weeks prior to the event date, each school's event coordinator will email a Student Participation form to the chairperson and at the same time, pay the student participation fee at www.acsi.org/masa. Late entries may not be accepted. This fee helps cover the cost of mailings, judges, awards, suppliers, rental equipment, and more.

Required Adult Volunteers

It is the school coordinator's responsibility to provide quality volunteers for chairpersons. If participating schools do not send helpers, we will not be able to sustain events. Each school needs to contribute or be precluded from participation. If a chairperson does not have enough volunteers, the event may be canceled. In addition, please be sure to plan for necessary chaperones and transportation to and

PARTICIPATION GUIDE 2017-18

from the event. By participating, schools are agreeing to ensure that all staff and volunteers provided by your school meet the school's internal policies and standards as well as state requirements for working with children in a K-12 private school setting.

School Coordinator

The school coordinator is the person within your school designated to oversee all ACSI student activities at your school. The school coordinator communicates directly with the ACSI regional office.

Event Coordinator

The event coordinator is the person within your school that coordinates all that needs to happen in order for your students to participate in a specific event, such as the Spelling Bee. The event coordinator communicates with the school coordinator and the event chairperson.

Chairperson

The event chairperson plans, sets up the facility, distributes awards, and communicates with the event coordinators about event specific details. He/she is responsible for locating judges (with the assistance from participating schools) for those events that require outside, additional experts. The chairperson also maintains expense receipts and finance reports. The chair receives an honorarium for their time invested in chairing the event. For questions specific to the host location, contact the event chairperson.

Scheduling

Schools should schedule in-school events well ahead of the corresponding district events. For example, if a school will be participating in a district spelling bee in January, they should have their in-school spelling bee sometime in November to be ready to submit the *Student Participation* form and fees by the deadline. Also, be sure to list all ACSI event activities for which you registered on your school calendar to avoid conflicts later.

Accident Insurance

All schools participating in an event with the Association of Christian Schools International are required to have adequate insurance coverage for students and sponsors/teachers. ACSI does not assume responsibility for those coverages. The school's student accident insurance should cover most reasonable and customary medical expenses. Workman's Compensation coverage should cover employees/teachers.
