2020-2021
Exhibiting/Advertising Booklet
Dear Exhibitor/Advertiser,

Welcome to the 2020–2021 ACSI Exhibiting/Advertising Booklet. We are pleased to announce the Professional Development event schedules. The invitation is extended to you to participate in the Virtual Professional Development Forums, Flourishing Schools Institutes, Leadership Retreats, Virtual Early Education Conferences, and other events that are scheduled throughout the school year. Please allow us to assist you as you review this year’s catalog. This is indeed a valuable resource as you consider and select exhibiting and advertising opportunities at any or all of the events.

ACSI is the largest association of Protestant private schools worldwide. About 2,400 U.S. members—representing over 600,000 students—turn to ACSI for professional development, school improvement, and resources that support our children. Over 40 years ago, ACSI was established on a rich foundation laid by committed leaders rooted in the Word of God. We continue that tradition today, and we are still passionate about furthering our mission, which is to strengthen Christian schools and equip Christian educators worldwide as they effectively prepare students for life.

As always, our exhibit spaces are reserved on a first-come, first-served basis, so send your reservation promptly to secure an exhibit space of your choice. In addition, advertising opportunities will be available for Professional Development Forums, Leadership Conferences, Early Education Conferences, and other events. Please go to Exhibitor and Advertising on the ACSI website for more information.

We look forward to meeting you at our events this year, and as always, please feel free to contact me or Marisela Delgado with any questions you might have.
