Strategic Partnership Program
Directory of Partners
2020-2021
(as of 3.5.2021)
Our mission statement is:

ACSI exists to strengthen Christian schools and equip Christian educators worldwide as they prepare students academically and inspire them to become devoted followers of Jesus Christ.

The goals of the ACSI Strategic Partner Program are:

- To honor our committed and dedicated partners by publicly recognizing their support of ACSI and our member schools' mission for Christian education
- To provide additional quality services and benefits to member schools that are not directly available through ACSI
- To allow companies and organizations the opportunity to leverage the ACSI brand and our relationship with member schools to engage Christian educators regarding quality services, benefits, and programs.
- To provide consistency in sponsorships of the Association’s programs and offerings

Please contact David Ray at 719.867.0106 or david_ray@acsi.org for more information or if you have questions about the Strategic Partnership Program.

Using this Directory

The organizations, companies, and ministries are listed by their partner category. For identifying information about partnering organizations by specific services and programs, please use the Index of Partners by Services that can be found on pages 18-21.

Selection of Partners

All partnering organizations have gone through an application and interview process to help ensure that they will provide quality services and programs to ACSI member schools.
