Exhibiting/Advertising Booklet

Dear Exhibitor/Advertiser,

Welcome to the 2019–2020 ACSI Exhibiting/Advertising Booklet. We are pleased to announce the Professional Development event schedules. The invitation is extended to you to participate in the Professional Development Forums, Leadership Conferences, Early Education Conferences and other events that are scheduled throughout the school year. Please allow us to assist you as you review this year's catalog. This is indeed a valuable resource as you consider and select exhibiting and advertising opportunities at any or all of the events.

ACSI is the largest association of Protestant private schools worldwide. About 2,400 U.S. members—representing over 600,000 students—turn to ACSI for professional development, school improvement, and resources that support our children. Over 40 years ago, ACSI was established on a rich foundation laid by committed leaders rooted in the Word of God. We continue that tradition today, and we are still passionate about furthering our mission, which is to strengthen Christian schools and equip Christian educators worldwide as they effectively prepare students for life.

As always, our exhibit spaces are reserved on a first-come, first-served basis, so send your reservation promptly to secure an exhibit space of your choice. In addition, limited advertising opportunities will be available for Professional Development Forums, Leadership Conferences, Early Education Conferences and other events. Please go to [Exhibitor and Advertising](#) on the [ACSI website](#) for more information.

Thank you for considering ACSI again this year. We want to assist you in building long-term and profitable relationships through your access to ACSI educators and leaders.

We look forward to meeting you at our events this year, and as always, please feel free to contact me or Gayle Williamson with any questions you might have.

ACSI Strategic Partnership Program

The ACSI Strategic Partnership Program is designed to give companies and organizations the opportunity to engage with our member schools and provide services, benefits, and programs that will enhance their Christian education mission.

Engagement opportunities include:

- Exhibiting at a variety of Professional Development events
- Sponsorship of a variety of events and activities
- Value-add opportunities developed by your own company or organization
- Scholarships for professional development and also students

Companies and organizations will get to choose from a menu of opportunities that will best allow them to engage with school leaders and educators. We track these opportunities, and in turn, the companies and organizations move up in the categories of partnership and receive additional benefits.

All agreements are for one year, beginning August 1, 2019, and ending July 31, 2020.

The goals of the ACSI Strategic Partner Program are:

- To honor our committed and dedicated partners by publicly recognizing their support of ACSI and our member schools' mission for Christian education.
- To provide additional quality services and benefits to member schools that are not directly available through ACSI.
- To allow companies and organizations the opportunity to leverage the ACSI brand and our relationship with member schools to engage Christian educators regarding quality services, benefits, and programs.
- To provide consistency in sponsorships of the Association's programs and offerings.

Please contact David Ray by phone at 719.867.0106 or by email at david_ray@acsi.org for more information about the Strategic Partnership Program.
