

Secondary Teacher Certificate (Content Emphasis)

A secondary content area teacher may apply for a “Content Emphasis” certification, which will exempt the teacher from the semester hours in educational studies requirement, if the following conditions are met:

1. The teacher is currently teaching in an ACSI school
2. The teacher holds a master’s degree or above in the specific content area the teacher is assigned to teach
3. The teacher has completed at least 1 year of classroom teaching experience with a pattern of exceptional teaching and continued professional development

Interested candidates who meet the above criteria may apply for the Secondary Teacher – Content Emphasis certificate utilizing the process outlined in steps 1-4 below:

1. ACSI’s certification application
2. Application fee
3. Master’s degree transcripts reflecting a completed degree in content area (if not previously submitted to ACSI)
4. Letter from school administrator requesting the “Content Emphasis” certificate and confirming at least 1 year of classroom teaching experience with a pattern of exceptional teaching and continued professional development

Renewal requirements may include the following, based on an evaluation of previous work completed:

1. 1 semester hour or 3 CEUs in educational studies
2. 1 semester hour or 3 CEUs in Bible (if not fulfilled by the completion of at least 6 semester hours in Bible on previously submitted transcripts)
3. Christian Philosophy of Education as required on the individual’s certificate

In order to renew the “Content Emphasis” certificate, the teacher will be responsible to complete at least 3 educational studies CEUs and 3 Bible CEUs within the two-year term of the certificate, submitting an application, fee, and CEUs for renewal every two years. This process will continue until the teacher obtains at least 9 semester hours OR 27 CEUs (or a combination of semester hours and CEUs) in educational studies* and at least 6 semester hours OR 18 CEUs (or a combination of CEUs and their semester hour equivalent) in Bible. At that point, the teacher would be eligible to receive a Standard Level 5-year certificate requiring 5 CEUs in educational studies* and 5 CEUs in Bible to renew.

In order to upgrade from the Standard Certificate to the Professional Certificate, the individual would have to complete a 3-semester hour (college credit) content area literacy course, an additional 18 CEUs (or a combination of CEUs and their semester hour equivalent) in educational studies*, and an additional 9 CEUs (or a combination of CEUs and their semester hour equivalent) in Bible.

*For those teachers who also teach at the collegiate level, continuing education earned as part of the requirements for their collegiate position are able to be applied to the educational studies CEU requirement for the ACSI certificate with appropriate documentation. Contact the certification department (www.acsi.org/certification_questions) for the process.
