Goals of the ACSI Strategic Partner Program

Our mission statement is:

ACSI exists to strengthen Christian schools and equip Christian educators worldwide as they prepare students academically and inspire them to become devoted followers of Jesus Christ.

The goals of the ACSI Strategic Partner Program are:

- To honor our committed and dedicated partners by publicly recognizing their support of ACSI and our member schools' mission for Christian education
- To provide additional quality services and benefits to member schools that are not directly available through ACSI
- To allow companies and organizations the opportunity to leverage the ACSI brand and our relationship with member schools to engage Christian educators regarding quality services, benefits, and programs.
- To provide consistency in sponsorships of the Association's programs and offerings

Please contact David Ray at 719.867.0106 or david_ray@acsi.org for more information or if you have questions about the Strategic Partnership Program.
